

MAKING OF THE BUST

This bust will be installed at the Czech Cultural Garden located on East Blvd, just south of St. Clair Ave.

1. Paul Burik works on the plaster model

2. Molds for casting are made

5. Bronze bust before patina is applied

It will replace a bust lost in past years and complete the symmetrical composition on the commemorative wall at the far end of the Garden.

3. Bronze is melted for casting

4. The bust is cast
